

USP WHITE OIL

NSF WHITE OILS FOR DIRECT FOOD CONTACT

Product Description: USP WHITE OILS are highly refined mineral oils which are colorless, tasteless, and odorless. They are especially refined to obtain the highest degree of purity for their use in those applications requiring direct food contact.

Features:

- Produced from highly refined hydrogenated paraffin base stocks for:
 - Low volatility.
 - Low pour points.
 - Excellent color stability.
 - Biodegradable.
- Meets NSF specifications for products listed as H-1.
- Certified Kosher and Pareve for Passover.
- Certified Crescent M Halal.

Typical Uses:

- USP WHITE OILS meet the requirements of NSF regulations CFR172.878 and CFR178.3620A.
- USP WHITE OILS can be used in the following applications:
 - Cosmetics - cleaners, extenders and grooming aids for hair oils, sun tan oils, and shampoo.
 - Pharmaceuticals - release agent for tablets, carriers.
 - Food - food equipment lubricants, dough divider oil, baking pan oils, defoamers, fruit and vegetable coatings.
 - Plastics - plasticizers and internal lubricants, extrusion aids.
